

## **Learning Objectives**

Upon completion of this activity learners will be able to:

- Identify at least three actionable strategies to strengthen workforce recruitment, retention and well-being in rural hospitals and health systems.
- Describe at least two care delivery redesign approaches used in rural settings to improve access, coordination and patient outcomes.
- Evaluate at least two financial and operational strategies that support rural hospital sustainability, including approaches to service stabilization and performance improvement.
- Identify at least two governance practices that strengthen board effectiveness and board-executive alignment.
- Apply at least two practical considerations for adopting or scaling technology-enabled solutions in rural settings (for example, AI-enabled workflows, virtual care, cybersecurity readiness or service-based IT models) to inform an implementation decision.

## **Target Audience**

This conference is intended for Chief Executive Officers, Chief Operating Officers, Chief Financial Officers, Chief Medical Officers, Chief Nurse Officers, Chief Innovation Officers and other C-suite leaders, as well as Vice Presidents, Physician Leaders, Advanced Practice Professionals, Directors and Managers overseeing patient care, strategy, innovation, digital transformation, finance, workforce and policy.

## **Accreditation & Credit Designation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Academy for Continued Healthcare Learning (ACHL) and the American Hospital Association (AHA). ACHL is accredited by the ACCME to provide continuing medical education for physicians.

The Academy for Continued Healthcare Learning designates this live activity for a maximum of 40 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician assistants, nurse practitioners, and nurses may participate in this educational activity and earn a certificate of completion as AAPA, AANP, and ANCC accept *AMA PRA Category 1 Credits™* through their reciprocity agreements.

## **To Receive Credit**

To receive credit, learners are required to participate in one or more CME-designated sessions and complete an evaluation sent via email following the meeting. Once the survey is completed a certificate will be immediately available. There is no fee for the generation of the certificate. Inquiries may be directed to ACHL at (877) 444-8435, ext. 160.

## **Disclosures**

The Academy for Continued Healthcare Learning (ACHL) requires that the faculty and planners participating in an accredited continuing education activity disclose all affiliations or other financial relationships within 24 months (1) with the manufacturers of any commercial product(s) and/or

provider(s) of commercial services discussed in an educational presentation and (2) with any ineligible companies. All relevant financial relationships have been mitigated prior to this activity. The following teachers, instructors, and faculty have no relevant relationships to disclose:

Bernie Adams	Tiana George	Jamie Napier, MSN, MHA, CSSBB, CPHQ, CRHCP, RN
April Allen	Chad Golder	Josh Neff
Jason Amrich, FACHE	Tiffany Haynes	Siri Nelson
Benjamin Anderson, MHCDS	Jim Heckert	Stephanie Norling
Elisa Arespacochaga	Daniel Hoody, MD, MSc	Jamie Orlikoff
Alice Ayres	Andrew Hooper	David Pope
Larry Bailey	Andrew Jager	Jen Porter
Sean Barry	Gary Kartchner	Kristin Preihs
Chris Benson	Mark Kaufman, MD	Brad Reimer
Darrell Bodnar	Rhonda Kazik, DNP, RN, CENP, FAAN	Irene Richardson
Mark Boucot	Karen Kiel-Rosser	Brian Roland
Brittnay Bourgeois, RN, MHA, CPHQ	Adam Koontz	Mike Schiller
Autumn Branch	Bharath Krishnamurthy	Michael Schmidt
Jen Braun	Aimee Kuhlman	Rachelle Schultz, Ed.D
Donna Budak	Darrell LaRoche	Clint Seger, MD
Jennifer Carpenter, RN, BSN	Amy Lee, MJ, MBHA, FACMPE	Anne Seymour
Loretta Christensen, MD, MSJ, FACS	Todd Linden, FACHE	Stefanie Simmons, MD, FACEP
Scott Christensen, FACHE	Barbara Lorsbach	Stephanie Snider, PhD, MPH
Shane Coleman, MD	Teresa Mallett	Ashley Stith, MSN, RN, RNC-OB
Velma Cooper	Yasmene McDaniel, MHA	James P. Ulrich Jr., MHA, FACHE, FHFMA
Robert Copple	Darryn McGarvey	Carl Vaagenes
Chris DeRienzo, MD	Donna McGregor, FACHE, FHFMA	Amelia Vietri
Susan Doherty, MA, LNHA	Alyssa Meller	Jennifer Wahkinney
Lindsey Dunn Burgstahler	Stephen Merz, FACHE	Michael Warren, MD, MPH, FAAP
Sean Fadale	Lillian Montoya	Benjamin Wells
Lynn Falcone	Lindsey Morse, MSN/NED, RN, ACM	Ben Wise
Corey Feist, JD	Krystal Moyers	Kara Witalis
Terri Flood	Esther Muna	Michael Wood, DPT
Mickey Foster	William R. Murdock	Susan Zabor, MSN, RN, FACHE, CSSBB
Rebecca Geiger, PharmD, MHA, BCACP, AAHIVP, HIS	Reuben Murray	

ACHL staff members, AHA staff planners, and others involved with the planning, development, and review of the content for this activity have no relevant affiliations or financial relationships to disclose.

### **Disclaimer**

The content of this activity was developed independently of any ineligible company. All materials are included with permission. The opinions expressed are those of the faculty and are not to be construed as those of any publisher or grantor.

This educational activity was planned and produced in accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education. Recommendations involving clinical medicine in a continuing medical education (CME/CE) activity must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients. All scientific research referred to, reported, or used in CME/CE in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection, and analysis.

This CME/CE activity might describe the off-label, investigational, or experimental use of medications and/or devices that may exceed their FDA-approved labeling. Physicians should consult the current manufacturers' prescribing information for these products. ACHL requires the speaker to disclose that a product is not labeled for use under discussion.

**Providership**

Accreditation provided by the Academy for Continued Healthcare Learning (ACHL) in collaboration with the American Hospital Association.
